

Olmsted Township

ON THE GROW.....

A Community of Diverse Neighbors

Spring 2016

I wanted to take this opportunity to express my deepest gratitude and appreciation to all the residents and business owners of Olmsted Township who have supported me and my family during my 25 years with the Police Department. I have elected to retire on May 1st, 2016, to spend more time with my family and grandchildren. I am going to miss the personal and professional relationships we have built during my tenure with the police department. Most importantly, this community has a rich tradition for supporting its police officers that is usually unheard of in most communities. I am confident this rich tradition of community support will continue with Lieutenant Matthew Vanyo who was sworn in as the New Chief of Police on Wednesday, April 27th, 2016.

Chief Of Police John W. Minek Retires

In closing, I am grateful that this community has instilled the following “Core value” quote into every member of this wonderful police department: *“To recognize always that the power of the police to fulfill their functions and duties is dependent on public approval (community support) of their existence, actions and behavior, and on their ability to secure and maintain public respect.”*

Sincerely,

John W. Minek
Chief of Police

911

SAFE**built**®

**If you ever have to dial 911, identify
that you live in Olmsted Township.**

New things are taking place at the Building Department! Our office has moved to the Greenbrooke Plaza at 26908 Cook Road (near First Federal of Lakewood). Our phone number remains the same (440) 235-4225. Also, we will now be using SafeBuilt as our contracted Building Department. They will work with our in-house staff to issue permits, perform inspections, and handle resident concerns as well as register contractors. They will handle exterior maintenance violations to ensure that our Township's property values remain strong. In the coming months you will see notice of workshops on home renovation topics.
