Subject: Re: OLMSTED TOWNSHIP BZA APPOINTMENT

Mrs Corrigan, I thought that serving as an alternate (for three years) was the precursor to being appointed to the board. I believe that my extensive experience in the construction industry would be an asset to the board in their decision making process. The skills and knowledge that I would bring to the board is 50 years of experience dealing with building departments in three county's: Cuyahoga, Summit and Medina. I have dealt with property lines and easments on a daily basis. I also dealt with architectural drawings, civil drawings, and MEP drawings. I thought my experience and three years of service was enough to be appointed to the board. I guess not! And with that, I will tender my resignation to the BZA board as of today.

Sincerely,
Ken Barbarino
