March 18, 2020

Dear Olmsted Township residents,

To help protect our residents, employees and the general public, Olmsted Township will continue to provide essential services for our residents. The Township Administrative Offices and Building Dept are open with minimal hours and exposure as well as following the "contact" protocols established by the Centers for Disease Control (CDC). Our essential services including Police Fire/EMS and Service Departments and garbage pickup will remain operational for our community.

Updates on this ever-changing epidemic can be found on social media, www.olmstedtownship.org or you can call 440.235.3099. As we become aware of changes, we will adjust our policies and plans as set forth by the state and federal governments. Thank you for your patience and understanding.
Please stay healthy and safe!

Lisa Zver

The Olmsted Township Board of Trustees
