

## Happy Holidays 2022!

The holiday season offers all of us an opportunity to take a few moments to spend time with family and close friends. It is also a time to count the many blessings of the past year, celebrate our successes and look forward to the challenges and opportunities in the promise of the new year.

We are pleased to report that we continue to work to ensure a stable and fiscally responsible government with a focus on service to you, our residents and business community. We value your personal and financial commitment, trust, and confidence in us as we work together to make Olmsted Township a viable and vital community.

Our supportive local business community again helped us light the Township with our Holiday Trees in this our 11<sup>th</sup> year for this project. You, our residents, participated in many opportunities we offer - our Halloween Safety Open House, Tree Lighting, Step into Spring, and our Tour of the Township to name a few.

We continue to spend American Rescue Plan Act (ARPA) Funds wisely to make infrastructure improvements we could not afford with property tax dollars alone. We supported non-profits who serve our community - Christians in Action, Meals on Wheels, and others, and provided almost 1000 meals to senior citizens to celebrate the holidays in 2019-2022.

Our collective accomplishments speak to the vision and mission of each department - Building, Fire, Police and Public Service and to the efforts of our dedicated, hardworking staff.

We have thanked our staff for their ongoing service to our community and reminded them, their daily contact with you, our residents and businesses makes a real difference.

Thank you for all you do to help us provide the quality of life that makes Olmsted Township a great place to live, play, work, and raise a family - a great place to call "home".

Finally, we want to wish you and those you hold dear a joyful holiday season and a healthy and happy new year.

From the Olmsted Township Trustees and Fiscal Officer...
